

Do you have a special celebration or a person who's memory you want to honor? You can do that and beautify our altar at the same time.

We have worked with Food City's Crossville Floral Department for quite sometime. They are very affordable and as you see they do a fantastic job. There is a sign up poster in the Narthex. Please order your flowers by Wednesday prior to the Sunday you have signed up for.

If you wish to share some of your flowers with those who need up lifting, please contact Sue Cox or Catherine Peterson of Visiting Friends and they will take them to someone.
